INTERNAL PADDING PICK FOAM GUIDANCE
UDG ULTIMATE FLIGHT CASE 4 CDJ/MIXER BLACK PLUS (TROLLEY + WHEELS)

Step 1

The flight-case comes with 4 identical pick-foams, each measuring 460 x 390 x 54 mm

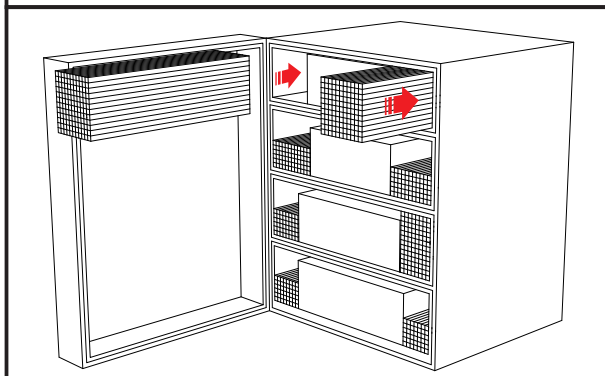

Step 2

Take out the pick-foams from the compartments

Step 3

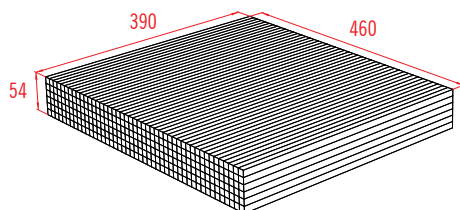

Cut the pick-foams to get the right size paddings

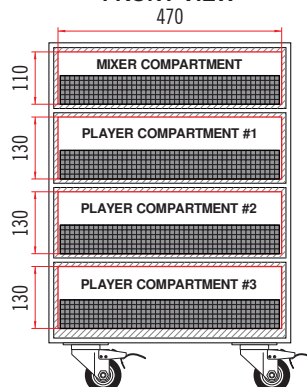

Step 4

Arrange the pick-foams paddings so, that they can securely hold the equipment and prevent it from shaking during transport
