

**BLAFRE**

PRODUCT RANGE FALL 2022

**BLA  
FRE**

Welcome to the land of brown cheese and blue fjords: Norway. Blafre started as a small family company back in 2005. The company design and develop a wide range of products that are inspired, critically tested and enthusiastically used by playful children a whole bunch of places around the world.

Yep, thats the founders family portrait.

Blafre do not only design and develop products in Norway. Several products are also made locally and they belive this to be a part of the success story. Keeping production near by gives an unique oportunity to monitor and be an active part during the whole process. From the sketches to the production and the strict testing, they have design, playfulness and quality in mind.
